Ties have been broken using the 'Last 9631' method by examining the accumulated net scores over the final 9 holes, final 6 holes, final 3 holes and the final 1 hole. If any ties still existed, they were not broken. When Handicap Strokes were allocated in computing a net hole score, strokes were allocated in order of precedence using the Handicap Holes as defined in the course database.

The following players were removed from the results.
